Jennifer Diener

Senior Vice President
and General Manager,
Channel Business Unit

Jennifer Diener is the Senior Vice President and General Manager for TE Connectivity's Channel Business Unit, where sales represent approximately 20% of TE's overall revenue. In this role, Jennifer is focused on growing TE's revenue, market share and customer reach by strengthening relationships and accelerating strategic customer growth with TE's global distributor network.

Prior to joining TE, Jennifer was Group President of Residential Water Treatment for Pentair, where she was responsible for commercial excellence, product development and operations. Prior to Pentair, Jennifer worked for Kohler Co., where she held multiple leadership roles with increasing responsibility in product management, marketing, cross-functional product development, and general management.

Jennifer joins the board of directors for the TE Foundation in January 2023. She is passionate in her support for community organizations which promote healthy families, mental health, and access to the arts.

Jennifer earned her MBA from Marquette University and her undergraduate degree in English and Technical Writing from the University of Wisconsin-Eau Claire.
